Sir:

This communication is in response to the Office Action mailed May 8, 2002 (Paper No.6). Applicants respectfully request entry and consideration of the following Amendment and Remarks.

In the Claims

Entered - RG  
2-10-03

Please amend claim 1 as follows:

A solvent-soluble poly(urethane/urea) resin derived from a polyurethane prepolymer being the reaction product of:

(a) a diisocyanate component and a diol component having:

(i) a first diol having a molecular weight below 2000 and
